End User Licence Agreement (EULA)

QR Codes Dataset

Computer Science Department – Institute of Mathematics and Statistics
University of São Paulo – Brazil

By signing this document the user, intended as who will make use of the database, agrees to the following terms:

1. **Commercial Use**
   The user may not use the database for any commercial purpose.

2. **Distribution**
   The user may not distribute or broadcast the database in any way. Images may be also distributed in publications (Figures) as long as the publication complies with the terms stated in this End User License Agreement (EULA).

3. **Access**
   The user may only use this database after this EULA has been signed and returned to the maintainers at the Institute of Mathematics and Statistics (IME) at the University of São Paulo, Brazil. The user must return the signed and dated EULA by email, in PDF format, to: `nina@ime.usp.br`. Multiple users may sign one EULA in order to grant access to a group of researchers.

4. **Publications**
   Publications include not only research papers, but also presentations for conferences or educational purposes. All documents and research papers that report on research that use this QR Code dataset should include a citation to the dataset article.

   ```
   @inproceedings{blanger2019evaluation,
     title={An Evaluation of Deep Learning Techniques for QR Code Detection},
     author={Blanger, Leonardo and Hirata, Nina S. T.},
     booktitle={26th IEEE International Conference on Image Processing (ICIP)},
     year={2019},
     organization={IEEE}
   }
   ```

5. **Research**
   The user may only use the database for scientific research.

6. **Changes**
   The maintainers are allowed to change this EULA at any time.

7. **Warranty**
   The database comes without any warranty, and the maintainers can not be held accountable for any damage (physical, financial or otherwise) caused by the use of the database.
